AJCC Cancer Staging Manual

8th Edition, Corrected at 3rd Printing in 2018 (latest printing)

The AJCC Cancer Staging Manual is the gold standard to help the cancer patient management team determine the correct stage for patients, allowing for the most appropriate care plan.

The AJCC Cancer Staging Manual is used by physicians and health care professionals throughout the world to facilitate the uniform description and reporting of neoplastic diseases. Proper classification and staging of cancer is essential for the physician to assign proper treatment, evaluate results of management and clinical trials, and to serve as the standard for local, regional and international reporting on cancer incidence and outcome.

This corrected 3rd printing includes the following features:

- **Revised breast cancer staging system**
- **Revised histology codes in each chapter**
- **Errata corrected through Feb. 2, 2018 that has been posted online at www.cancerstaging.org.**
